## Introduction

This document is designed to assist Faculty and School nominees in verifying the unit and teaching staff data needed for conducting the *Student Evaluation of Learning and Teaching (SELT)* surveys for the relevant study periods at ACU. It provides step-by-step instructions for each component of the Data Integrity Gateway (DIG).

## About the Data Integrity Gateway (DIG)

The Data Integrity Gateway (DIG) is a means for confirming unit-level information that is necessary in the preparation of online SELT surveys. The information collected through this process will be used by the Centre for Education and Innovation (CEI) to create and conduct the SELT surveys on the University's online evaluation system for the appropriate study periods.

The Associate Dean – Learning & Teaching (ADLT), the National Head of School or their nominees are responsible for verifying the complete list of teaching staff members for each coursework unit in their Faculty or School.

## Access for Faculty/School nominees

Restricted access to the DIG is granted annually to each nominee confirmed by the ADLT or National Head of School, enabling them to complete verification for their respective areas.

This verification process occurs several times a year (for published Study Periods). Access to DIG is activated before the verification period begins and is revoked at the end of that period. Adherence to strict timelines ensures proper management of the SELT surveys (please refer to the [survey schedule](#) for further details).

Faculty/School nominees will receive an email from [Evaluations CEI](#) account with a unique link to the DIG interface. Each nominee will have access to a list of units they are responsible for verifying.

## Understanding the DIG Interface Columns

The DIG interface displays several columns of data. Please see table below for a description of each column.

Column Name	Description
Tick box icon (☐)	Allows selection of one or more units for verification; provides optional ways to select or add teaching staff.
Status	<p>Displays the status of the unit verification:</p> <ol style="list-style-type: none"> <li><b>Incomplete (red):</b> If a unit is marked with a red exclamation point, it is considered <i>'Incomplete'</i> and the data requires verification:           <div data-bbox="520 680 679 864" data-label="Image"> </div> </li> <li><b>Valid (green):</b> Verification is complete for this unit*.           <div data-bbox="520 931 695 1106" data-label="Image"> </div> </li> </ol> <p><b>*Note:</b> A <b>Valid</b> status indicates that a nominee has selected <b>'Yes'</b> or <b>'No'</b> from the SELT drop down box for a unit. This does not indicate whether a staff member has been added/verified to the unit.</p>
Group	<p>Displays how many teaching staff members* have been associated with teaching in the unit.</p> <p><b>*Note:</b> Some units may be prefilled with teaching staff members. This data is obtained from the published timetable at the end of Week 3. <u>All nominees are required to validate this data.</u></p>
Course ID	The Course ID of a unit is a combination of the TERM code and CRN code recorded for that unit in Banner. For example, the Course ID "202145400" consists of the TERM code "202145" which is the Winter Term, and the CRN code "400".
Unit	Displays the name of the unit (Unit code, short name of the unit, study period, year, campus and course ID).
SELT	To confirm a unit will be evaluated through the SELT survey. All nominees are required to complete this verification for every unit.
School	Displays the School name
Faculty	Displays the Faculty name
Study Period	Displays the recorded period when the unit is taught (e.g. Winter Term)
Campus	Displays the recorded campus/location for the unit's delivery (e.g. Melbourne)

## Information used to verify teaching staff and units

Before verifying information on the Data Integrity Gateway (DIG), please consider the following two important aspects of verification:

**1. What source of information from your area will be used to verify teaching staff and units on the DIG interface? These sources may include:**

- ✓ Academic Workloads
- ✓ Timetabling Records
- ✓ School list of units from Banner
- ✓ Other records used in the Faculty/School

CEI strongly recommends that the most up-to-date information, approved by the ADLT or National Head of School, is used to complete verification on the DIG. This alleviates further work for the nominees (e.g., modifying details that they had already entered).

**2. Which approach will be used to verify teaching staff and units on the DIG? The following options are available:**

- ✓ Verifying units individually (multiple teaching staff can be assigned to each unit)
- ✓ Verifying multiple units to one or more teaching staff
- ✓ Verifying teaching staff individually (A-Z)

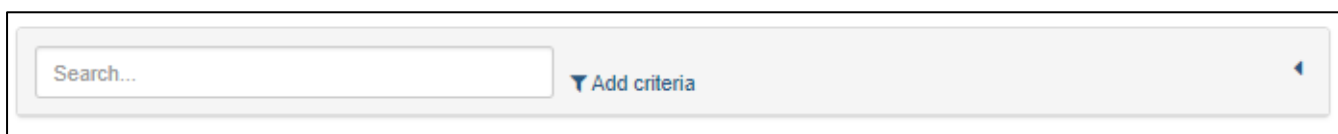

## Search, Filter and Sort Data Functions

### Search and Filter Data

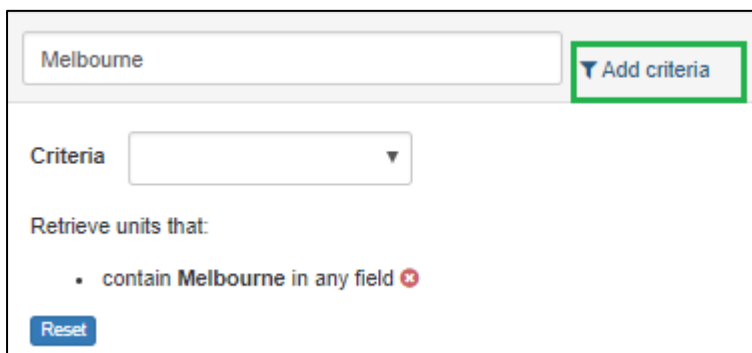

The *Search* function can be used to locate information for any unit displayed in the DIG interface.

Nominees can refine their search by adding a criteria:

1. Start typing a keyword (unit code, unit name or campus) directly into the Search bar and DIG will display all available records (e.g., entering a specific unit code, name or campus will return the relevant results in the interface).

2. To refine a search, click 'Add criteria' to expand the criteria section. A drop-down menu will display a range of additional criteria fields to filter on:

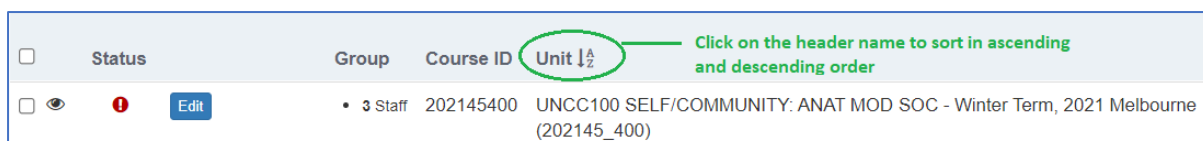

Nominees can set additional criteria on the following:

Criteria	Description
<b>Units field</b>	Allows user to filter on unit name, SELT status, School, Faculty, Campus and Study Period.
<b>Unit status</b>	Allows user to filter on unit status of <b>Valid</b> and <b>Incomplete</b> data.
<b>Group member</b>	Allows user to filter on a staff member (username, first name or last name).
<b>Group member count</b>	Allows user to filter on the count of teaching staff members that are listed for unit(s).

## Sort Data

Data displayed in the interface can be sorted by clicking on the column header.

1. Click one of the column headers for the list to sort in ascending order.
2. Click the same column header again for the list to sort in descending order.

The screenshot shows a table header row with columns: Status, Group, Course ID, and Unit. The 'Unit' header has a sort icon (downward arrow with a double-headed arrow) and a tooltip that reads 'Click on the header name to sort in ascending and descending order'. Below the header, a row of data is visible, including a '3 Staff' icon, a red warning icon, an 'Edit' button, and the text '202145400 UNCC100 SELF/COMMUNITY: ANAT MOD SOC - Winter Term, 2021 Melbourne (202145\_400)'.

If filtering is required, please use the 'Add criteria' in the search function to refine search results.

The following columns can be sorted to allow nominees to:

Columns Header	Description
<b>Status</b>	Sort unit status of 'Valid' and 'Incomplete' data
<b>Course ID</b>	Sort Course ID in ascending or descending order
<b>Unit</b>	Sort units in ascending or descending order
<b>SELT</b>	Sort by SELT status of 'Yes', 'No' and blank
<b>School</b>	Sort units in ascending or descending order by Schools
<b>Faculty</b>	Sort units in ascending or descending order by Faculty
<b>Study Period</b>	Sort units in ascending or descending order by study period
<b>Campus</b>	Sort units in ascending or descending order by campus

## Verifying unit(s) for the SELT surveys

There are two options for verifying unit(s) (*i.e. selecting 'Yes' or 'No' for inclusion in the SELT Surveys*):

- [Verifying a single unit](#) OR
- [Verifying multiple units](#)

### Verifying a single unit

1. Identify the unit for verification and click the 'Edit' button. This will expand the unit information box (please see below):

<input type="checkbox"/>	Status	Group	Course ID	Unit
<input type="checkbox"/>		 Edit	3 Staff 202145400	UNCC100 SELF/COMMUNITY: ANAT MOD SOC - Winter Term, 2021 Melbourne (202145_400)

SELT

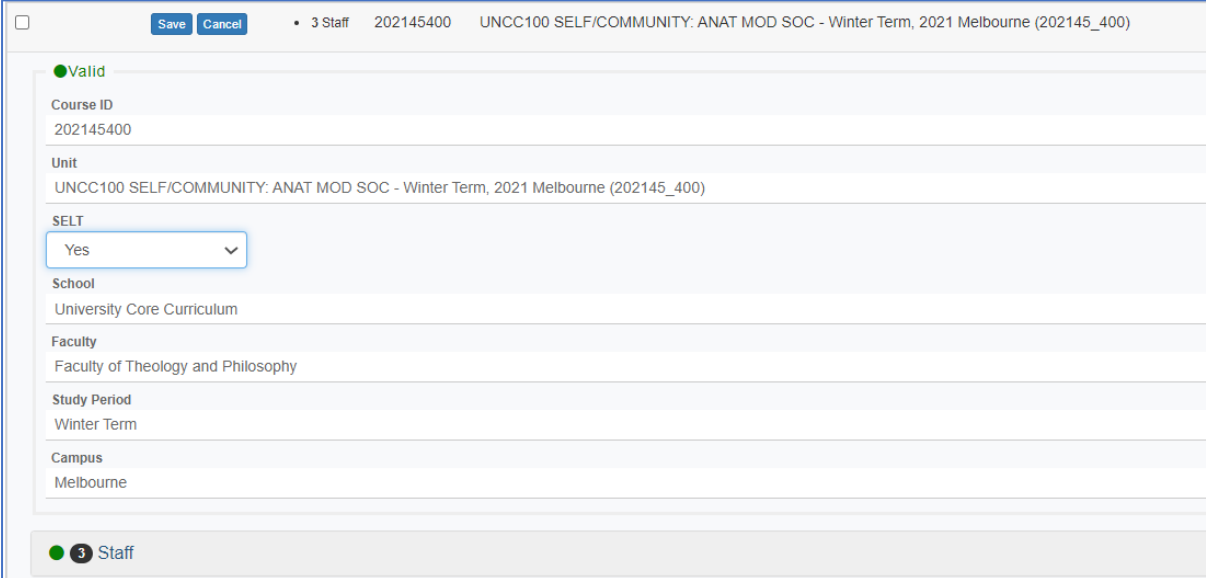

Yes 

- 
- Yes
- No, less than 10 Students are enrolled in unit
- No, the unit is no longer running for this study period
- No, this is a non-coursework research unit
- No, for other reasons (Evaluations CEI will contact you for further information)

2. To verify the unit, click on the drop-down menu for **SELT** and select either 'Yes' for a SELT survey or one of the 'No' options with a reason for not including the unit for a survey.

Once an option is selected, the unit status will change to a **Valid** status:

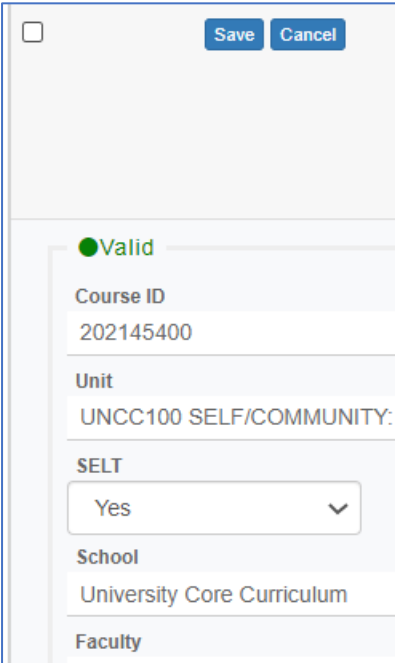

The screenshot shows a web interface for unit verification. At the top, there are buttons for 'Save' and 'Cancel', and a breadcrumb trail: '3 Staff 202145400 UNCC100 SELF/COMMUNITY: ANAT MOD SOC - Winter Term, 2021 Melbourne (202145\_400)'. Below this, a green dot and the word 'Valid' indicate the unit's status. The form fields are as follows:

Course ID	202145400
Unit	UNCC100 SELF/COMMUNITY: ANAT MOD SOC - Winter Term, 2021 Melbourne (202145_400)
SELT	Yes
School	University Core Curriculum
Faculty	Faculty of Theology and Philosophy
Study Period	Winter Term
Campus	Melbourne

At the bottom of the form, there is a green dot and the text '3 Staff'.

3. At this point, you may want to verify the Staff teaching in the unit. [Please click here for next steps on how to verify teaching Staff for a single unit.](#)
4. If the teaching Staff is unknown for a unit, click on the **Save** button to complete the verification for the unit.

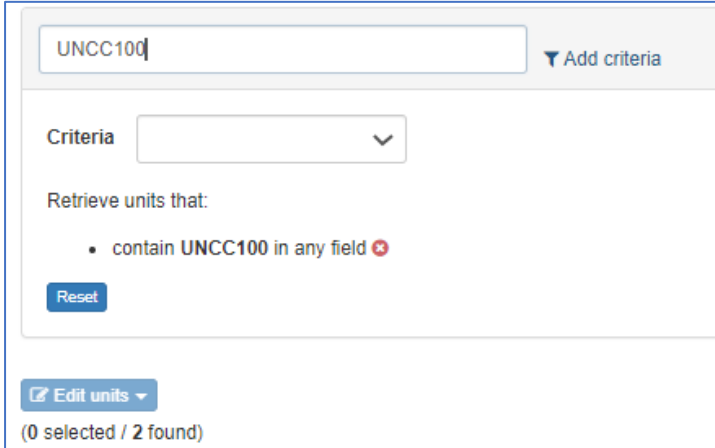

This screenshot shows a similar web interface to the one above, but with a different layout. It features 'Save' and 'Cancel' buttons at the top. The unit status is 'Valid' (indicated by a green dot). The form fields are:

Course ID	202145400
Unit	UNCC100 SELF/COMMUNITY: ANAT MOD SOC - Winter Term, 2021 Melbourne (202145_400)
SELT	Yes
School	University Core Curriculum
Faculty	

## Verifying multiple units

1. Identify the units required for verification by adding the unit information to the Search box:

UNCC100 ▼ Add criteria

Retrieve units that:

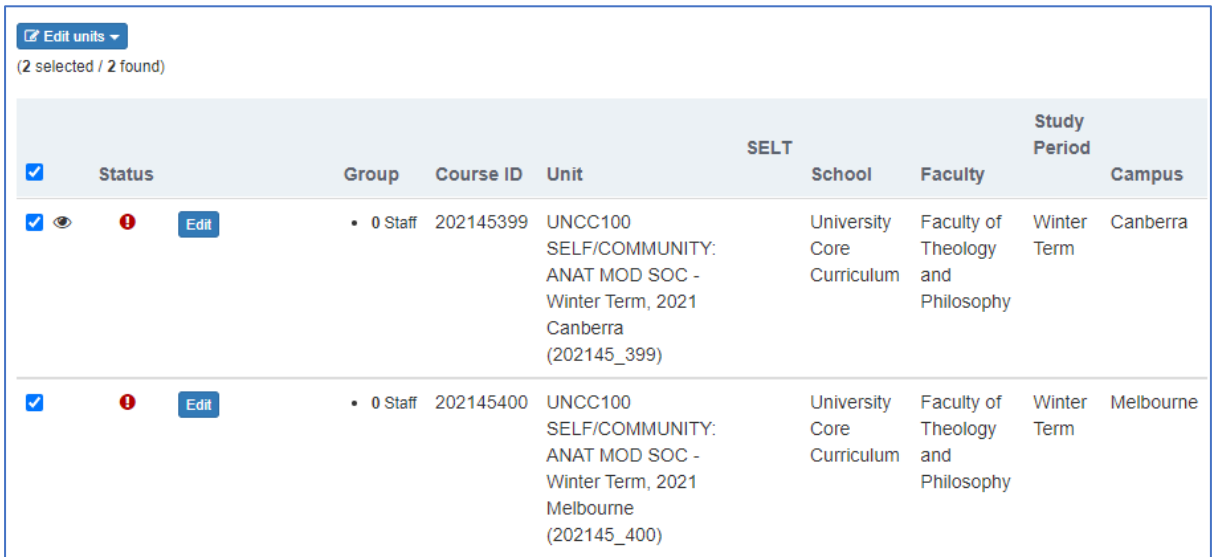

- contain UNCC100 in any field ✖

Reset

Edit units ▼

(0 selected / 2 found)

2. Tick the check boxes for the units to be verified and click on the **Edit units** button:

3. Select *'Edit unit fields'* in the drop-down list:

Edit units ▼

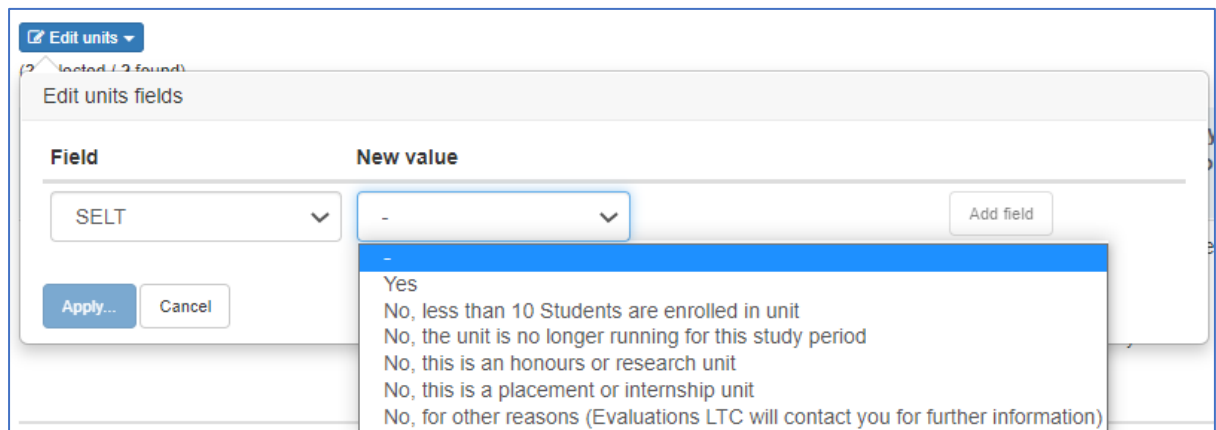

- Edit units fields
- Assign group members
- Unassign group members

4. Under **Field**, select 'SELT' in the drop-down menu:

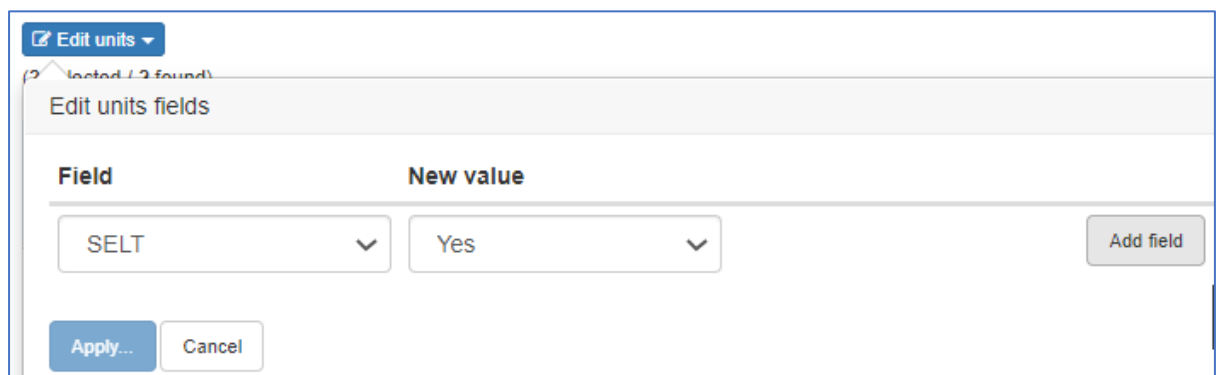

The screenshot shows a dialog box titled "Edit units fields" with a header "Edit units fields". Below the header, there are two columns: "Field" and "New value". Under "Field", a dropdown menu is open, showing "SELT" as the selected option. Under "New value", there is an empty dropdown menu. To the right of the "New value" dropdown is an "Add field" button. At the bottom left, there are "Apply..." and "Cancel" buttons.

5. Under **New value**, select either 'Yes' for a SELT survey or one of the 'No' options with a reason for not including the unit for a survey

The screenshot shows the same dialog box. The "Field" dropdown is now set to "SELT". The "New value" dropdown is open, showing a list of options: "Yes", "No, less than 10 Students are enrolled in unit", "No, the unit is no longer running for this study period", "No, this is an honours or research unit", "No, this is a placement or internship unit", and "No, for other reasons (Evaluations LTC will contact you for further information)". The "Add field" button is now visible to the right of the "New value" dropdown. The "Apply..." and "Cancel" buttons are still at the bottom left.

6. Click the **Add Field** button

The screenshot shows the dialog box with "SELT" in the "Field" dropdown and "Yes" in the "New value" dropdown. The "Add field" button is now highlighted in grey, indicating it has been clicked. The "Apply..." and "Cancel" buttons are still at the bottom left.

7. Click the **Apply** button to continue:

## Verifying Staff teaching in unit(s)

### IMPORTANT INFORMATION FOR VERIFICATION OF STAFF

1. Staff must be teaching at least half of the unit within the relevant study period to be included in a SELT survey. Guest lecturers should not be included.
2. If a staff member is not listed in the DIG, please lodge a [Service Central request](#) to People & Capability to include the staff member on the ACU Staff Directory.
3. If no teaching staff are listed for a unit, the SELT survey will not include a SECTION B (feedback on individual teaching) and the staff member(s) for that unit will not be able to request an optional item in their SELT survey.
4. If the teaching staff member is unknown, please make every attempt to confirm who is teaching the unit and enter in their details before the deadline.

A staff member can be added to a single unit or to multiple units at once on the DIG.

### [Adding a staff member to a single unit](#)

1. Identify the unit for verification and click the **Edit** button to expand the unit information box below:

<input type="checkbox"/>	Status	Group	Course ID	Unit
<input type="checkbox"/>	<input checked="" type="checkbox"/> 	<input type="checkbox"/> 	<input type="button" value="Edit"/>	• 0 Staff 202145399 UNCC100 SELF/COMMUNITY: ANAT MOD SOC - Winter Term, 2021 Canberra (202145_399)

- Click on **Staff** to expand the section and click on **Assign Staff** to display the search field box:

The screenshot shows a course details page with the following information:

Status	Group	Course ID	Unit
Valid	0 Staff	202145399	UNCC100 SELF/COMMUNITY: ANAT MOD SOC - Winter Term, 2021 Canberra (202145_399)

 School: University Core Curriculum  
 Faculty: Faculty of Theology and Philosophy  
 Study Period: Winter Term  
 Campus: Canberra

The **Staff** section is expanded, showing **0 Staff**. A green circle highlights the **Staff** section header. A green arrow points from this circle to the text: "1. Click on **Staff** to expand the section". Below the Staff section, the **Assign Staff** button is highlighted with a dashed box. A green arrow points from this box to the text: "2. Click on **Assign Staff** to display the search field box".

- Type the first or last name of the teaching staff member. A list of names will be displayed.

**Note:** There are additional filtering options available in the drop-down menu for **Search other fields** (Filtering on username, ACU email address and Staff Full name is available).

The screenshot shows the "Assign group member" search interface. It includes a text input field for "Firstname or lastname" and a "Search other fields" dropdown menu. The dropdown menu is open, showing the following options:

- Staff\_Full\_Name

Assign Staff

All staff must be assigned a role within the unit. These roles determine which teaching staff member will have the option to include an item or question in their unit's SELT survey. It is crucial to select the correct role for each staff member.

For more information about optional items for teaching staff, please [click here](#)

Please see table below for more information on each Staff role:

Role	Description	Access to Section A: Optional Item (unit aspects)	Access to Section B: Optional Item (individual teaching aspects)	Will the Staff Member be included in the SELT survey with this role?
<b>National Lecturer in Charge (Teaching)</b>	Staff who are teaching in the unit as a National Lecturer in Charge.	Yes	Yes	Yes
<b>National Lecturer in Charge (NOT Teaching)</b>	Staff who are a National Lecturer in Charge of a unit and are <b>not conducting any teaching in a unit.</b>  <b>If this role is selected, the Staff member will not be included in the SELT survey for the unit</b> however they will receive an invitation to include an optional unit item/question in the SELT for Section A (unit aspects) of the survey. The additional unit item/question selected by the NLiC will display in the SELT survey to all students for this unit.	Yes	No	No
<b>Lecturer in Charge (LiC)</b>	Staff who are teaching in the unit as a Lecturer in Charge.	Yes	Yes	Yes
<b>Lecturer in Charge (NOT Teaching)</b>	Staff who are a Lecturer in Charge of a unit and are <b>not conducting any teaching in a unit.</b>  <b>If this role is selected, the Staff member will not be included in the SELT survey for the unit</b> however they will receive an invitation to include an optional unit item/question in the SELT for Section A (unit aspects) of the survey. The additional unit item/question selected by the LiC will display in the SELT survey to all students for this unit.	Yes	No	No
<b>Lecturer (L)</b>	Staff who are teaching in the unit as a Lecturer.	No	Yes	Yes
<b>Tutor (T)</b>	Staff who are teaching in the unit as a Tutor.	No	Yes	Yes

- After selecting a **Role** for the Staff member, the status will change from **Incomplete** to **Valid**.

The screenshot shows a 'Staff' assignment window with two staff member profiles. Each profile includes fields for User ID, First Name, Last Name, Email, and a dropdown for Role. The status for both is 'Valid'. A dashed box on the right contains an 'Assign Staff' button.

Staff Member	User ID	First Name	Last Name	Email	Role
Karen Randy	karandy	Karen	Randy	Karen.Randy@acu.edu.au	Lecturer in Charge (Li)
Bernardine Lynch	berlynch	Bernardine	Lynch	Bernardine.Lynch@acu.ed	Lecturer (L)

**Note:** Please ensure Staff details displayed are correct. There are some instances where ACU has more than one Staff member with the same first and last names. **This step is critical for many processes in ACU (e.g. Performance Review and Planning of ACU's teaching staff).**

- Once all relevant staff have been assigned to a unit, click the **Save** button for the unit:

The screenshot shows a dialog box with 'Save' and 'Cancel' buttons. Below the buttons, the unit details are displayed: Course ID 202145400 and Unit UNCC100 SELF/COMMUNITY. The status is 'Valid'.

- The status for the units will display as **Valid** and the **Group** column will display the number of Staff assigned to the unit.

The eye icon below indicates that this is the last unit visited/verified in DIG:

<input type="checkbox"/>	Status	Group	Course ID	Unit	SELT

## Adding a staff member to multiple units

1. Identify the units you want to assign the Staff member to.

This can be done by reviewing the list of units available and ticking the boxes next to each unit (Option 1) or using the Search box to identify the units (Option 2):

Option 1: Reviewing List of units available and ticking the boxes next to each unit:

*Note – This option is ideal to use if you have a staff member to be verified for units with different unit code names. For example, one ACOM unit and one UNCC unit.*

<input type="checkbox"/>	Status	Group	Course ID	Unit
<input type="checkbox"/>	<span style="color: red;">!</span> <a href="#">Edit</a>	• 0 Staff	202145130	ACOM105 ENGLISH COMMUNICATION SKILLS - Winter Term, 2021 Brisbane (202145_130)
<input checked="" type="checkbox"/>	<span style="color: red;">!</span> <a href="#">Edit</a>	• 0 Staff	202145256	ACOM108 COM AS HEALTH PROF 1 - Winter Term, 2021 Brisbane (202145_256)

Option 2: Using the Search box to identify the units

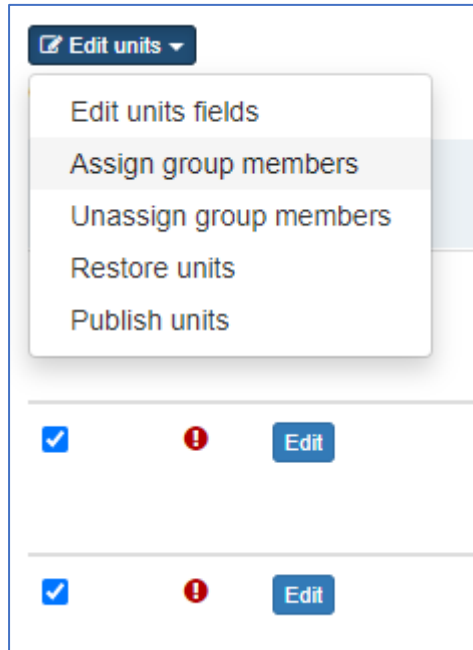

*Note – This option is ideal to use if you have units will the same unit code names. For example, two ACOM units:*

1. Identify your units by typing the unit name in the Search box

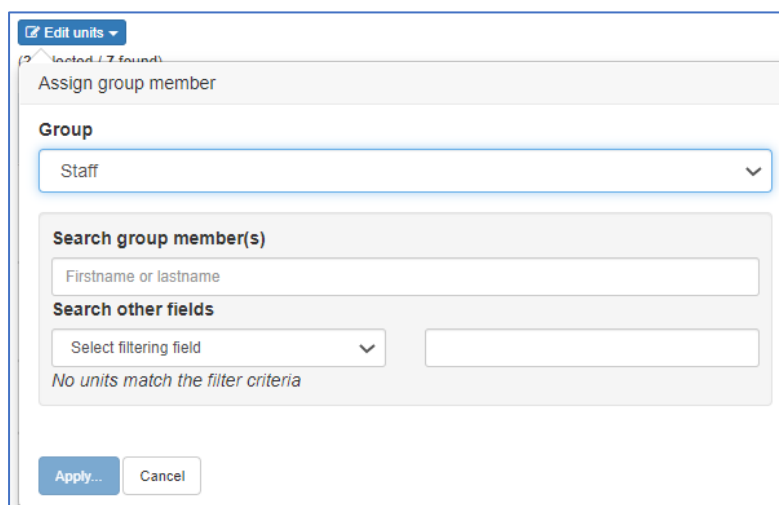

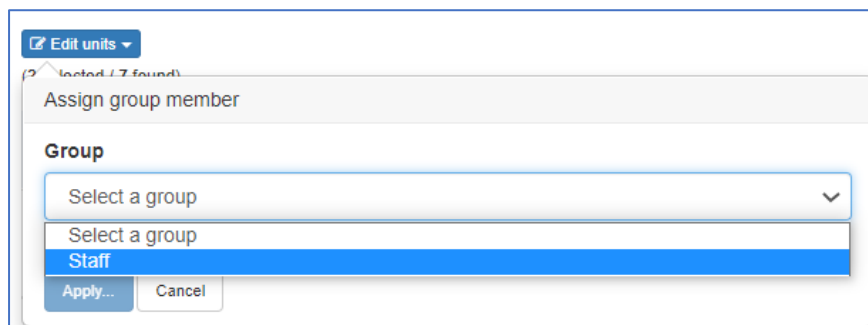

2. Tick the check boxes for the units

<input type="checkbox"/>	Status	Group	Course ID	Unit
<input type="checkbox"/>	<span style="color: red;">!</span> <a href="#">Edit</a>	• 0 Staff	202145130	ACOM105 ENGLISH COMMUNICATION SKILLS - Winter Term, 2021 Brisbane (202145_130)

2. Click on the **Edit units** button and select 'Assign group members' from the drop-down list:

3. Click on 'Select a group' in the drop-down menu located under **Group** and select 'Staff':

4. Type the first or last name of the staff member in the search box located under **Select group member(s)**. A list of names will display below with the relevant results.

**Note:** Additional filtering options are available in the drop-down menu for **Search other fields** (Filtering on username and email address is available)

The screenshot shows the 'Assign group member' interface. At the top, there is a blue button labeled 'Edit units' with a dropdown arrow. Below it, the text '(7 found)' is visible. The main section is titled 'Assign group member' and contains a 'Group' dropdown menu set to 'Staff'. Below this is a search section with a text input field containing 'Karen'. Underneath the search input is a 'Search other fields' section with a dropdown menu currently showing 'Select filtering field'. A list of search results is displayed below, with columns for 'First Name', 'Last Name', and 'Email'. Each row has a blue plus icon to its left.

	First Name	Last Name	Email
+	Karen	Arneman	Karen.Arneman@acu.edu.au

5. To add the staff member, click the plus (+) icon next to the name:

The screenshot shows the 'Assign group member' interface with the search results filtered. The 'Search other fields' dropdown is now set to 'User ID', and the adjacent text input field contains 'karandy'. The search results table now only contains one entry.

The screenshot shows a dialog box titled "Assign group member" with a blue header bar containing "Edit units" and a dropdown arrow. Below the header, the text "(2) Selected (17 found)" is visible. The main content area includes a "Group" dropdown menu set to "Staff". Below this is a "Search group member(s)" section with a text input field containing "Firstname or lastname". Underneath is a "Search other fields" section with a "Select filtering field" dropdown menu and an empty text input field. A message "No units match the filter criteria" is displayed below the search fields. At the bottom, the text "Group member to be added :" is followed by two entries: "Karen Randy" and "Bernardine Lynch", each with a red "x" icon to its right. At the very bottom of the dialog are two buttons: "Apply..." and "Cancel".

A pop-up box will appear requesting confirmation of the changes. Click the **Yes** button to add the staff member(s) to the selected units:

The screenshot shows a dialog box titled "Confirm Add Member". It features a checked checkbox followed by the question "Are you sure you want to add the following member(s) to all selected units?". Below this is a light blue shaded box containing the text "Group member(s)" and a bulleted list with two items: "Karen Randy" and "Bernardine Lynch". At the bottom right of the dialog are two buttons: "Yes" and "Cancel".

The Staff member(s) will now appear in the selected units however their role status for the unit will need to be confirmed in each unit to complete the verification (please see example screenshot below):

The screenshot shows a 'Staff' management interface. At the top, there is a header with a red exclamation mark icon, a '2' in a circle, and the text 'Staff'. Below the header, there are two columns of staff member information, each with a red exclamation mark icon and the text 'Incomplete' at the top. The first column contains the following information: User ID: karandy, First Name: Karen, Last Name: Randy, Email: Karen.Randy@acu.edu.au, and a '+Role' dropdown menu with a red exclamation mark icon and a downward arrow. The second column contains the following information: User ID: bernlynch, First Name: Bernardine, Last Name: Lynch, Email: Bernardine.Lynch@acu.ed, and a '+Role' dropdown menu with a red exclamation mark icon and a downward arrow. To the right of these columns is a dashed box containing a button labeled 'Assign Staff' with a right-pointing arrow icon.

For information about Staff roles in a unit, please [click here](#).

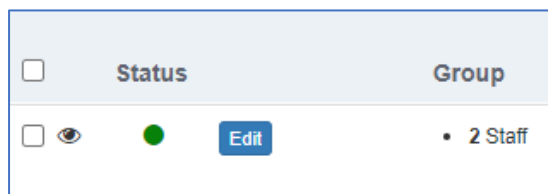

## Removing Staff from a unit

Staff can be removed from a single unit or from multiple units at once.

### Removing staff from a single unit

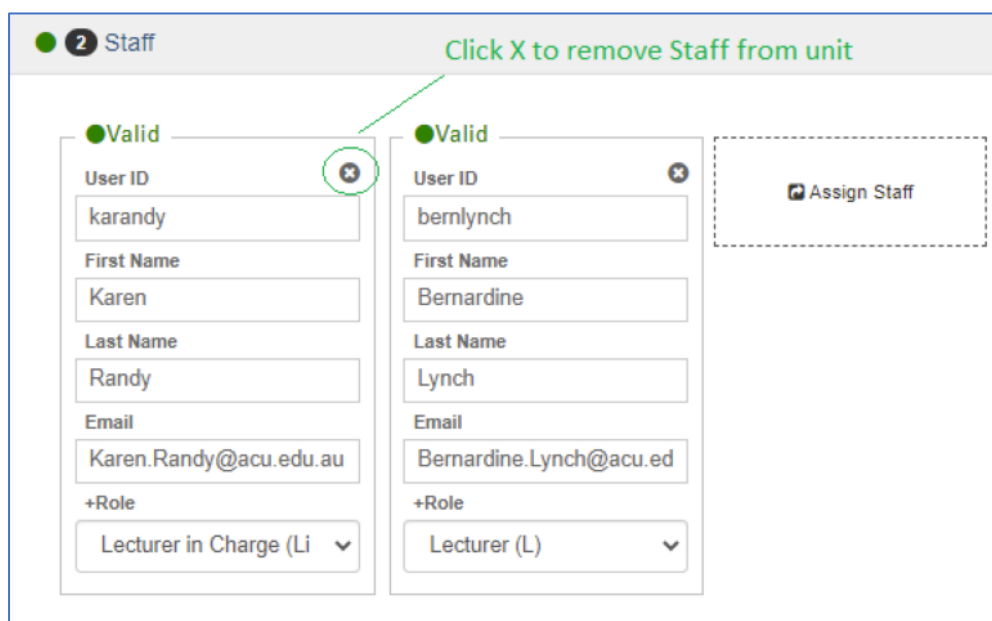

If an incorrect staff member is listed against a unit, the name can be removed using the following steps:

1. Click the **Edit** button corresponding to the unit for which the staff member is to be removed.

## Removing a staff from multiple units

Staff can be removed from multiple units at once using the following steps:

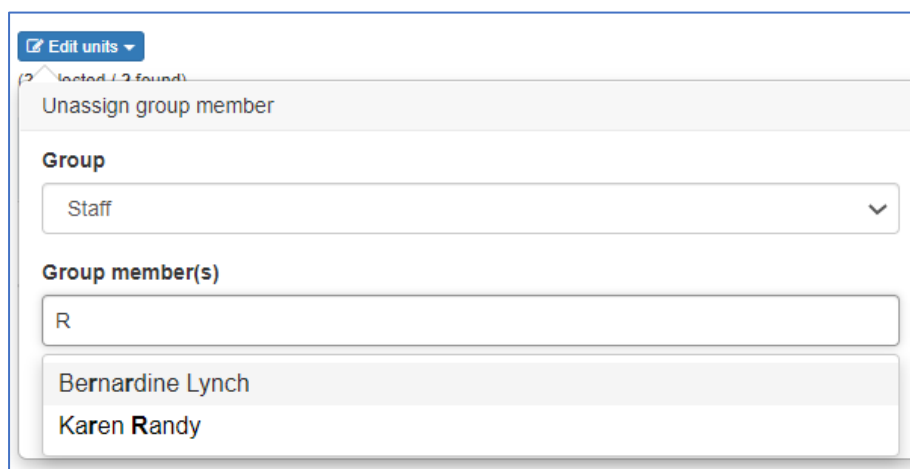

1. Tick the boxes associated with all the units the staff member is to be removed from.
2. Click the **Edit units** button and select 'Unassign group members'.

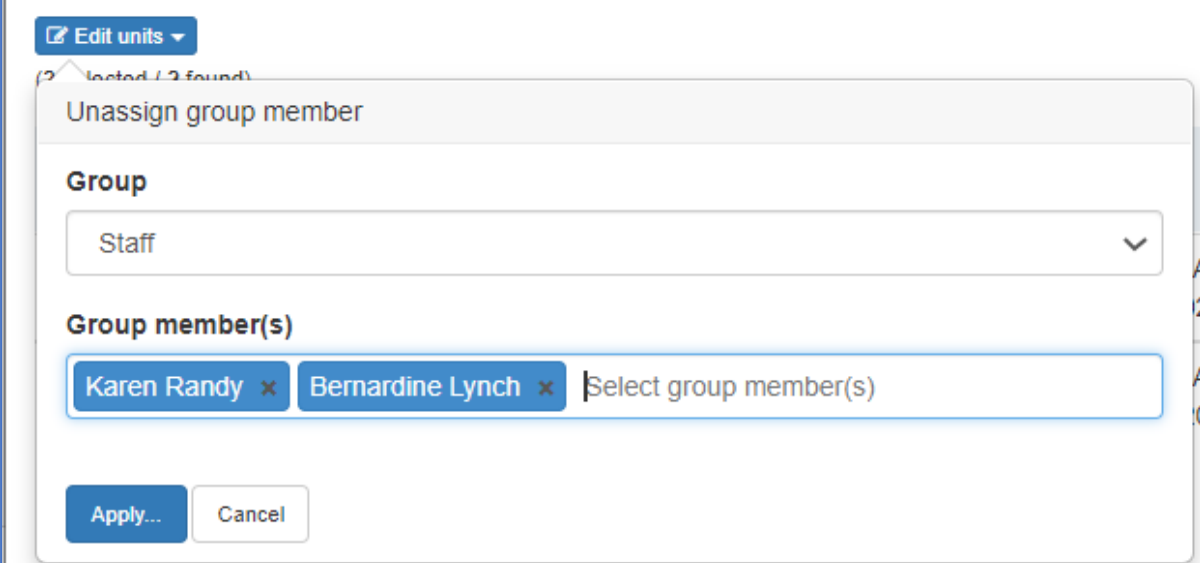

3. In the **Group** drop-down list, select 'Staff'.

4. Enter the name of the staff member to be removed in the **Group member(s)** field.  
**Note:** Multiple staff members can be added to the **Group member(s)** field at once, but only staff members who have previously been added to units will appear.

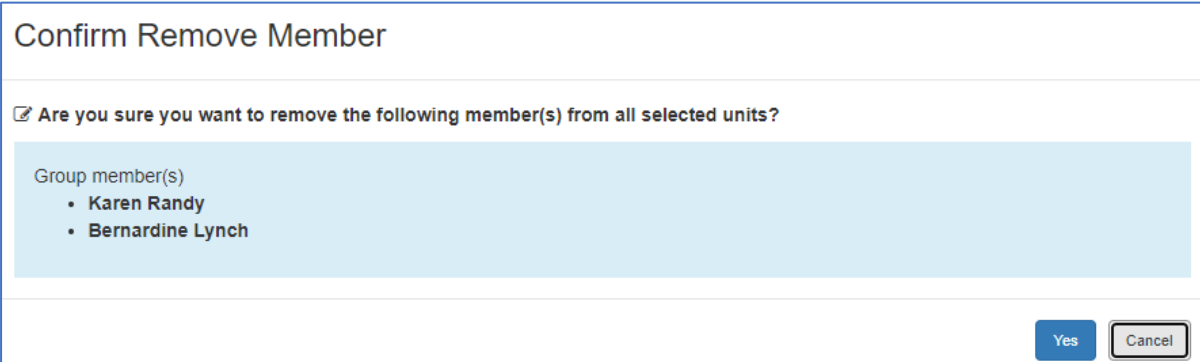

5. Once the relevant staff member(s) has been selected, click the 'Apply' button to continue.

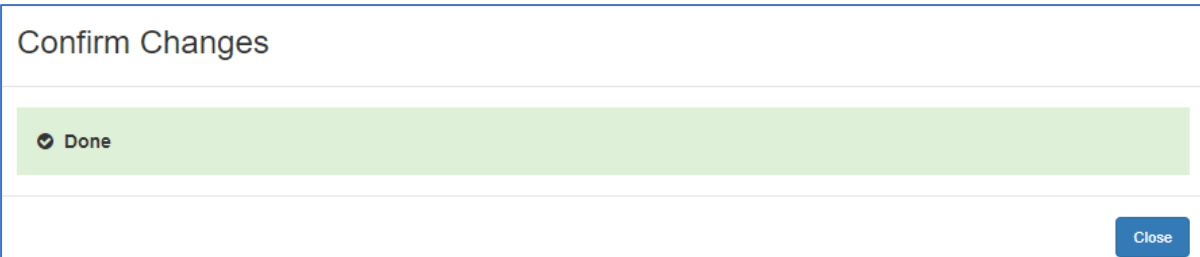

The screenshot shows a dialog box titled "Unassign group member". At the top left, there is a blue button labeled "Edit units" with a dropdown arrow. Below it, a search bar contains the text "(?) Selected (2 found)". The main content area has two sections: "Group" with a dropdown menu currently set to "Staff", and "Group member(s)" with a search bar containing two selected members: "Karen Randy" and "Bernardine Lynch", each with a small 'x' icon to its right. To the right of the search bar is the placeholder text "Select group member(s)". At the bottom of the dialog, there are two buttons: "Apply..." in blue and "Cancel" in white.

6. A pop-up box will appear requesting confirmation of the changes. Click the 'Yes' button to confirm the removal of the staff member from the selected units.

The screenshot shows a dialog box titled "Confirm Remove Member". It contains a checkbox with the text "Are you sure you want to remove the following member(s) from all selected units?". Below this is a light blue box with the heading "Group member(s)" and a bulleted list containing "Karen Randy" and "Bernardine Lynch". At the bottom right, there are two buttons: "Yes" in blue and "Cancel" in white.

A confirmation box will appear confirming the changes and will close automatically:
