

## How to Check Real-Time Response Rates for Surveys via Canvas

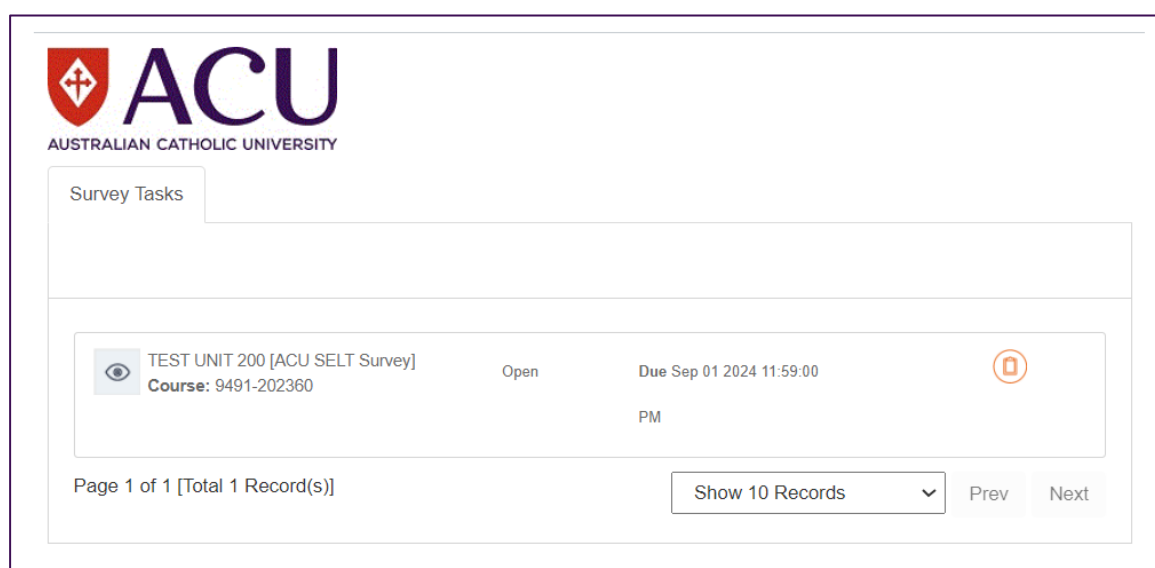

1. To access real-time response rates, please log into Canvas: <https://canvas.acu.edu.au/>

Access the video [How to Access Canvas](#) for step by step instructions.

2. Click on **Account** and select **Surveys**.

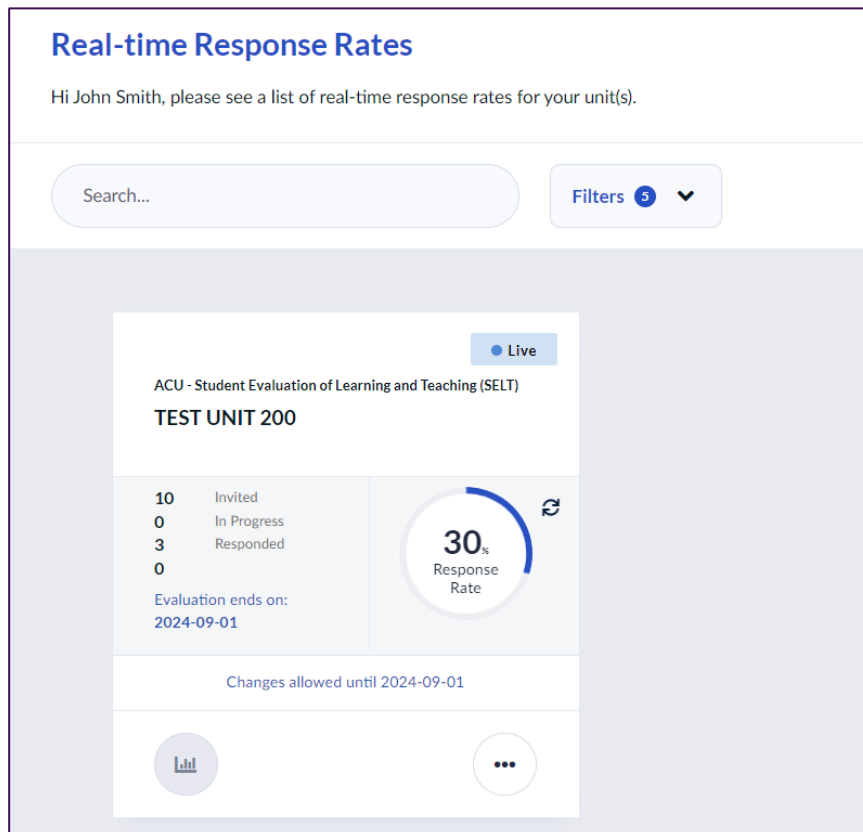

The Survey Tasks dashboard will be displayed:

- To access your real-time response rate tasks, select the unit from the displayed list.

Once selected, a new browser window will open, displaying the real-time response rate for your unit.

**Note:** Response rates are available in real-time and can be accessed **one week after** the surveys commence.
