Additional Information:

→ SELT survey dates are determined by the official published dates for end of teaching period (semester, terms, etc.), and the published dates for the release of exam results (i.e., published on the University web pages) that are approved by the Academic Board.

→ Unit and student details are obtained from the Banner system, and these details are entered into the online evaluation system directly.

→ Teaching staff information needs to be verified by the Faculty/School nominee(s) through the Data Integrity Gateway (DIG) managed by the Centre for Education and Innovation

*Please be aware that these dates are subject to change and may, as a result, be updated.
