

ACU Commuter Club

The Commuter Club is a scheme for companies to purchase yearly myki tickets from PTV on behalf of their staff. Yearly myki cards allow unlimited train, tram and bus travel for a full year in zones 1+2 or zone 2. VLine travel is not covered by Commuter Club. ACU has agreed to participate in the Commuter Club and provide financial assistance to ACU staff members to help with the purchase of an annual train ticket. For those wishing to join the Commuter Club, Campus Concierge at St Patrick's Campus Commuter Club co-ordinator and the point of contact for **enquiries only**. To obtain an application form you must log a request through Service Now on 2722. Payments are processed by HR and card issuing is handled by PTV.

The **2020 Commuter Club Fare Prices** are as follows:

Zone 2

\$ 1053 – 26 payments of \$40.50

Zone 1 & 2

\$ 1579.50 – 26 payments of \$60.75

HR pay the full yearly fare up front for the staff member and then the cost of the ticket is deducted from their salary over one year at the rate of 1/26th of the cost of the ticket as an after tax deduction until the cost associated to this purchase is fully recovered.

PTV Commuter Club Ticket Rules (these rules form part of the agreement entered into with PTV when you sign up to the Commuter Club. Campus Concierge act on Club members behalf to submit applications to PTV only.)

- Applicant must be a **permanent member** of ACU St Patrick's staff.
- The card must only be used by an ACU staff member only and is not transferable.
- Commuter club cards are only activated the first time that you 'touch on'.

Change of Zones

If the Cardholder wishes to change the zone(s) of their 365 day myki pass, they must complete a Refund & Reimbursement Form. Refund & Reimbursement Forms are available at selected myki retailers, staffed railway stations, the PTV Hubs, via myki.com.au and by calling 13 6954 (13 myki) and can be mailed to:

Myki Mailbox
Reply Paid 4318
MELBOURNE VIC 8060

The myki must be surrendered at the time of application. Refunds are provided by cheque and will be posted to the Cardholder. The Cardholder must now approach their Commuter Club to order a new 365 day myki pass with the desired zone(s). Please note: Refunds are paid to either the Cardholder or by cheque and are generally processed within 28 days.

Refunds

Refunds are processed by myki and returned to the Commuter Club member. Your refund may be subject to administration charges and loss of previously applied discounts. **PLEASE BE AWARE THAT YOU WILL CONTINUE TO BE CHARGED THROUGH SALARY DEDUCTION UNTIL THE FULL AMOUNT PAID BY HR HAS BEEN RECOVERED.** Please read the information on the myki website or call the myki call centre if you require further clarification about refunds.

Refunds to Commuter Club members

If a Cardholder needs a refund of their 365 day myki pass because they are leaving the organisation, no longer want to be part of the Commuter Club or the card was ordered in error, a Refund & Reimbursement Form must be completed. Refund & Reimbursement Forms are available at selected myki retailers, staffed railway stations, the PTV Hubs, via myki.com.au and by calling 13 6954 (13 myki) and can be mailed to:

Myki Mailbox
Reply Paid 4318
MELBOURNE VIC 8060

The myki must be surrendered at the time of application and will be blocked from further use. Refunds are provided by cheque and will be posted to the Cardholder. The Cardholder is able to nominate their Commuter Club account to receive any cheques for refunds owing. Any myki money stored on the card at the time of cancellation will also be included in the refund amount and cannot be split.

Refunds for medical conditions

In certain circumstances, reimbursements of the value of a myki pass may be available for customers who have experienced medical problems. Reimbursements due to medical conditions will only be allowed if the application meets the following requirements:

- * The claim is accompanied by a doctor's certificate for the days claimed (statutory declarations are not accepted as proof)
- * The customer has been unable to travel for least 27 days owing to illness.
A reimbursement based on a medical condition can be claimed for non-consecutive Days of illness. However, a certificate must be produced for each of the days.

Refunds for annual leave

A 365 day myki pass cannot be suspended for any period taken as annual leave, nor can the amount of leave taken be reimbursed. If the Cardholder is taking extended annual leave, they may wish to apply for a refund of the remaining balance on their 365 day myki pass and apply for a new 365 day myki pass on their return.

Refund calculations

There is no refund on a 365 day myki pass which has less than 73 days remaining as the holder will lose the benefit of the 10% discount offered by the Commuter Club program. The Commuter Club 365 day myki pass fare is based on the daily fare for 325 days, giving the cardholder 40 days free travel (= to %10 discount). If a 365 day myki pass is surrendered for refund, the Cardholder loses the benefit of the 140 days free travel (= to %10 discount) and is charged the daily rate for the number of days the ticket has been held. Accordingly, if a ticket has less than 73 days remaining, there is no refund due. Therefore if there is less than 73 days remaining, no refund would be due. In this instance, it is in the Cardholder's best interest to keep the pass for any possible use until expiry.

Please note: Refund calculation provided is based on current pass prices and daily rates.

Resignations

On resignation, members are expected to advise the Campus Concierge of the termination date and to establish if the ticket is to **be returned** or **retained**. The Campus Concierge will advise the Pay Office of the member's intentions. In both cases, the Pay Office will proceed to deduct the full outstanding balance owing from the termination pay-out.

If the ticket is to be returned:

It is the responsibility of the Commuter Club member to apply for their refund from Myki. Myki will not accept requests for refunds from the Campus Concierge. See refund conditions above.

If the ticket is to be retained:

It is ACU Payroll's responsibility to make the necessary arrangements to deduct the outstanding balance owing from the exiting employee's final termination pay-out.

Replacement Tickets & Cancellations

If a Commuter Club myki is damaged, defective, lost or stolen, the Commuter Club member can apply for their myki to be replaced. Replacement Forms are available at selected myki retailers, staffed railway stations, PTV Hubs, via myki.com.au and by calling 13 6954 (13 myki).
