How to insert the 24/7 on-demand study support link (Studiosity) in LEO
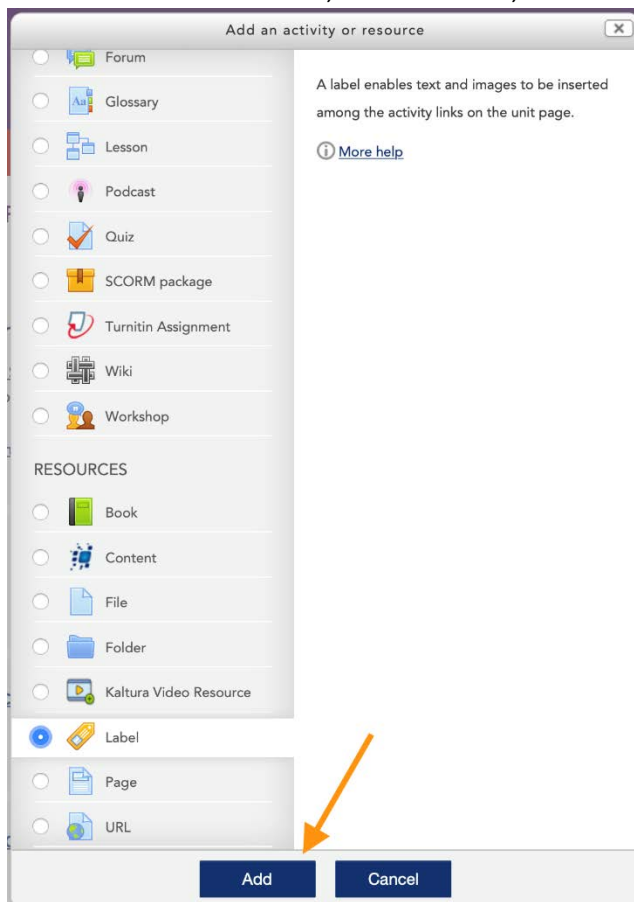

For Editing Lecturers

Adding the LTI (Studiosity) link in your LEO unit

1. Log in to LEO and navigate to the unit you are editing.
2. Select **'Turn editing on'** near the top right of the screen.

3. Before you add Studiosity, first create a *Label* that describes it. In the first section (i.e., the title or introduction section) of your LEO unit, select **'Add an activity or resource'**. A popup will appear with a list of activities and resources to choose from.
4. Under the list of *Resources*, choose **'Label'**, then select **'Add'** (towards the bottom of the popup).
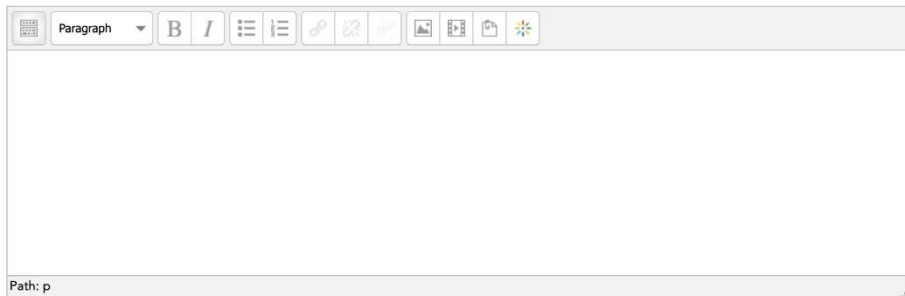

5. You will see the *Adding a new Label item* page. You might only see one row of text editing tools for the **'Label text'** field.

9. Copy the following HTML code:
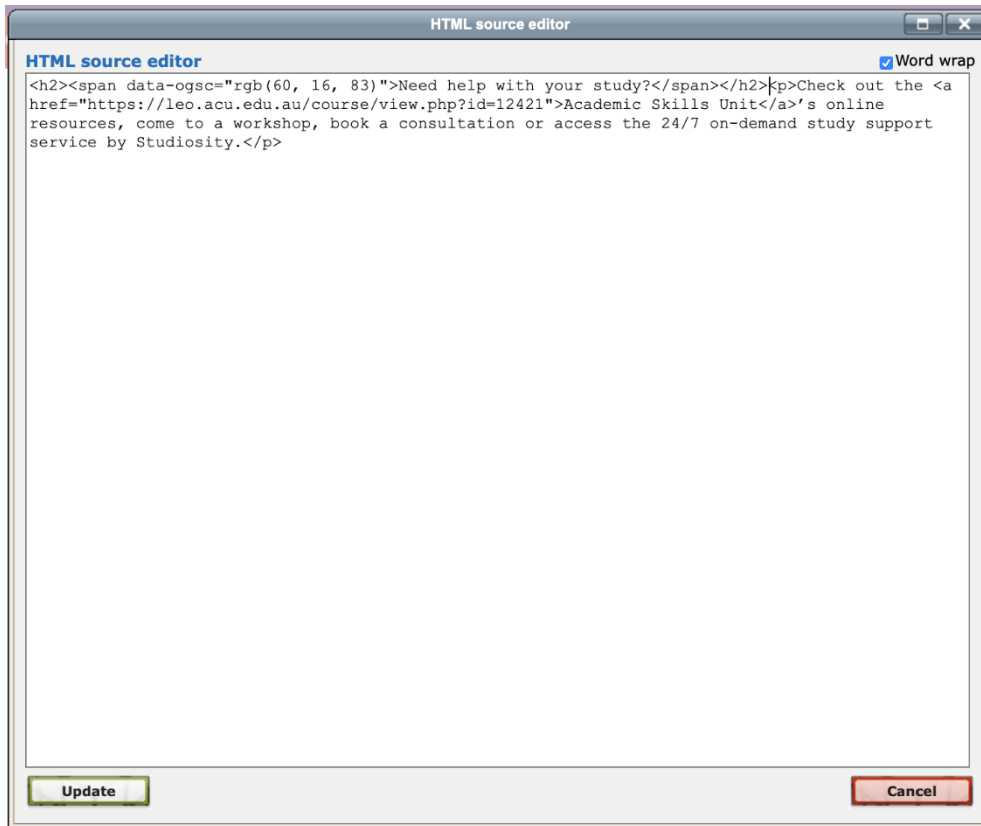

```
<h2><span data-ogsc="rgb(60, 16, 83)">Need help with your study?</span></h2><p>Check out
the <a href="https://leo.acu.edu.au/course/view.php?id=12421">Academic Skills Unit</a>'s
online resources, come to a workshop, book a consultation or access the 24/7 on-demand
study support service by Studiosity.</p>
```

10. Paste the HTML code into the '*HTML source editor'* popup, then select **'Update'**.

11. Select **'Save and return to unit'**. You now have a *Label* for Studiosity in your LEO unit.

12. Next, you need to create the LTI link for Studiosity in your LEO unit. Under the list of *Activities*, choose **'External tool'**, then select **'Add'** (towards the bottom of the popup).

13. You will see the ***Adding a new External tool item*** page. Enter "24/7 on-demand study support" in the field 'Activity name'.

14. In the dropdown list **'Preconfigured tool'** select "24/7 on-demand support".

15. Scroll towards the bottom of the page and select **'Save and return to unit'**. This step will take you back to your LEO unit's home page.

18. If you have any issue with adding the LTI link, contact LEO Support or email eLearning.LTC@acu.edu.au.

Test your new LTI (Studiosity) link

1. It is good practice to always test any resource or activity you add to your LEO unit. Select your newly created LTI (Studiosity) link.

2. It will open the Studiosity service. Select the **'Back'** button <u>twice</u> on your web browser to return to your LEO unit.

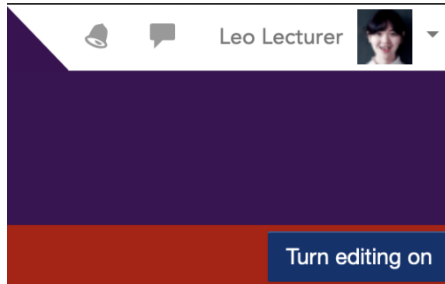

3. If selecting the LTI link does not display the Studiosity service, contact LEO Support or email eLearning.LTC@acu.edu.au.
How to create a HTML block for Studiosity in your LEO unit

To create a HTML block in your LEO unit that will contain a link to Studiosity:
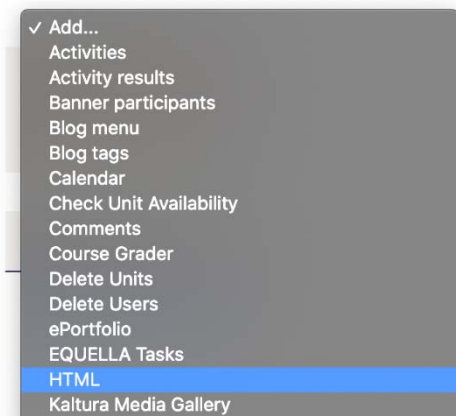

1. Navigate to your LEO unit and select **'Turn editing on'** near the top right of the screen.

2. Scroll down to the bottom of panels on the left and look for the **Add a block** panel.

3. Select **'Add...'** then, from the list of options, choose **'HTML'**.

4. A new block labelled **(new HTML block)** will appear.

5. Select the '**Actions menu'** icon (⚙▾), then choose **'Configure (new HTML block) block'** from the list of options.

6. This will take you to the **Configure (new HTML block) block** page.

7. For **'HTML block title'**, enter "24/7 on-demand study support".

18. Navigate to the section of your LEO unit where you added Studiosity.

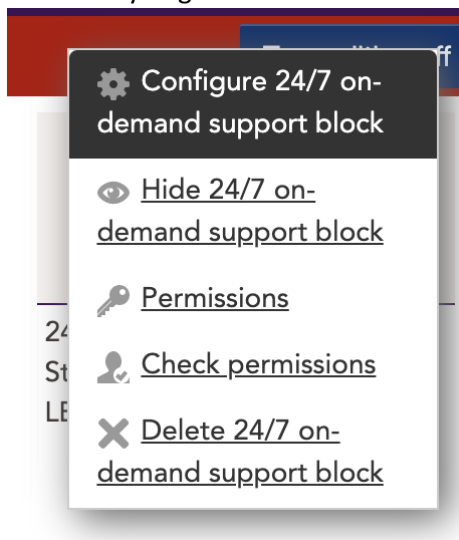

19. Right-click this link and copy its URL or link address.
NOTE: This link is unique to this LEO unit and should not be used in your other units.

20. Go to the **24/7 on-demand study support** block you created, select the **'Actions menu'**, then choose **'Configure 24/7 on-demand study support block'**. Notice that the title of the action has changed based on the name you gave the block.
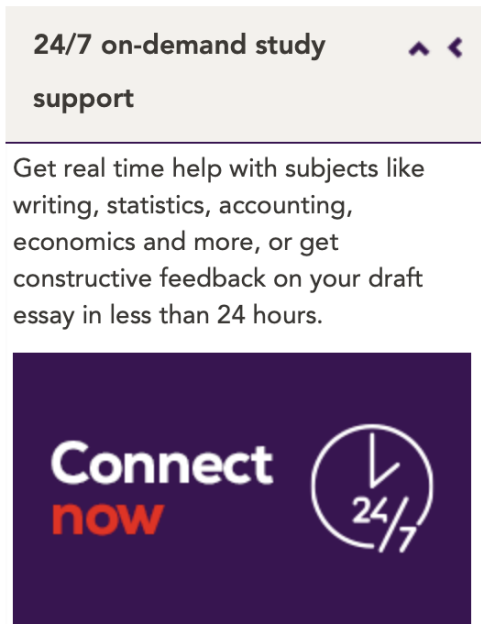

21. You will be sent to the ***Configuring a 24/7 on-demand study support block*** page. Under **'Content'**, select the Edit HTML source button and replace #INSERT in the HTML code with the link you just copied. To do this, right click on your mouse and click **'Paste'**.

22. Select **'Update'** at the bottom of the popup window.
23. Select **'Save changes'** at the bottom of the ***Configuring a 24/7 on-demand support block*** page.
24. Select **'Turn editing off'** at the top of your LEO unit's home page.

25. Test the new Studiosity link in your HTML block by clicking the *'Connect now'* logo.

26. If clicking the *'Connect now'* logo does not display the Studiosity service, email eLearning.LTC@acu.edu.au.
