Support services for our students

At ACU, we offer a range of support programs and activities to ensure our students make the most of their time at university.

This guide outlines all our available student services, including the specific ACU website or Student Portal address for each service. To access the Student Portal, you can simply sign in using your staff login.

Your contact with students, and often their timely use of our services, is critical to student success and retention. This guide forms part of the ACU Student Retention Strategy, which strives to ensure all ACU students are provided with the best opportunity to succeed in their studies.
