Reporting questionnaire

Gender equality indicator 1: Gender composition of workforce

This indicator seeks information about the gender composition of relevant employers in a standardised format, to enable the aggregation of data across and within industries. The aggregated data in your workplace profile assists relevant employers in understanding the characteristics of their workforce, including in relation to occupational segregation, the position of women and men in management within their industry or sector, and patterns of potentially insecure employment.

NB. IMPORTANT:

- References to the Act mean the Workplace Gender Equality Act 2012.
- A formal 'policy' and/or 'formal strategy' in this questionnaire refers to formal policies and/or strategies that are either standalone or contained within another formal policy/formal strategy.
- Data provided in this reporting questionnaire covers the TOTAL reporting period from 1 April 2017 to 31 March 2018. (This differs from the workplace profile data which is taken at a point-in-time during the reporting period).
- Answers need to reflect ALL organisations covered in this report.
- If you select "NO, Insufficient resources/expertise" to any option, this may cover human or financial resources.

1.10 How many employees were promoted during the reporting period against each category below?

IMPORTANT: Because promotions are included in the number of appointments in Q1.11, the number of promotions should never exceed appointments.

	Managers		Non-managers	
	Female	Male	Female	Male
Permanent/ongoing full-time employees	13	9	33	19
Permanent/ongoing part-time employees	0	0	4	0
Fixed-term contract full-time employees	3	2	4	3
Fixed-term contract part-time employees	1	0	0	1
Casual employees	0	0	0	0

1.11 How many appointments in total (including the number of promotions above in Q1.10), were made to manager and non-manager roles during the reporting period (based on WGEA-defined managers/non-managers)?

IMPORTANT: promotions need to be added to these totals because they are considered internal appointments.

	Female	Male
Number of appointments made to MANAGER roles (including promotions)	29	16
Number of appointments made to NON-MANAGER roles (including promotions)	289	106

1.12 How many employees resigned during the reporting period against each category below?

	Managers		Non-managers	
	Female	Male	Female	Male

Casual employees	0	0	0	0

1.13 If your organisation would like to provide additional information relating to gender equality indicator 1, please do so below.

Gender equality indicator 2: Gender composition of governing bodies

Gender composition of governing bodies is an indicator of gender equality at the highest level of organisational leadership and decision-making. This gender equality indicator seeks information on the representation of women and men on governing bodies. The term "governing body" in relation to a relevant employer is broad and depends on the nature of your organisation. It can mean the board of directors, trustees, committee of management, council or other governing authority of the employer.

- 2. The organisation(s) you are reporting on will have a governing body. In the Act, governing body is defined as "the board of directors, trustees, committee of management, council or other governing authority of the employer". This question relates to the highest governing body for your Australian entity, even if it is located overseas.**

2.1 Please answer the following questions relating to each governing body covered in this report.

Note: If this report covers more than one organisation, the questions below will be repeated for each organisation before proceeding to question 2.2.

If your organisation's governing body is the same as your parent entity's, you will need to add your organisation's name BUT the numerical details of your parent entity's governing body.

2.1a.1 Organisation name?

Australian Catholic University Limited

2.1b.1 How many Chairs on this governing body?

	Female	Male
Number	0	1

2.1c.1 How many other members are on this governing body (excluding the Chair/s)?

	Female	Male
Number	8	8

2.1d.1 Has a target been set to increase the representation of women on this governing body?

- Yes
- No (you may specify why a target has not been set)
- Governing body/board has gender balance (e.g. 40% women/40% men/20% either)
 - Currently under development, please enter date this is due to be completed
 - Insufficient resources/expertise
 - Do not have control over governing body/board appointments (provide details why):
The Governing body is bound by the Constitution and the majority of members are elected. However, the gender balance is 50% women and 50% men, which is consistent with WGEA gender balance expectations.
 - Not a priority
 - Other (provide details):

2.1g.1 Are you reporting on any other organisations in this report?

- Yes
- No

2.2 Do you have a formal selection policy and/or formal selection strategy for governing body members for ALL organisations covered in this report?

- Yes (select all applicable answers)
- Policy
 - Strategy
- No (you may specify why no formal selection policy or formal selection strategy is in place)
- In place for some governing bodies
 - Currently under development, please enter date this is due to be completed
 - Insufficient resources/expertise
 - Do not have control over governing body appointments (provide details why):
The Governing body is bound by the Constitution and the majority of members are elected. However, in line with ACU's gender representation profile, the Senate membership consists of 50% women and 50% men.
 - Not a priority
 - Other (provide details):

2.3 Does your organisation operate as a partnership structure (i.e. select NO if your organisation is an “incorporated” entity - Pty Ltd, Ltd or Inc; or an “unincorporated” entity)?

- Yes
 No

2.5 If your organisation would like to provide additional information relating to gender equality indicator 2, please do so below.

Gender equality indicator 3: Equal remuneration between women and men

Equal remuneration between women and men is a key component of improving women’s economic security and progressing gender equality.

3. Do you have a formal policy and/or formal strategy on remuneration generally?

- Yes (select all applicable answers)
 Policy
 Strategy
- No (you may specify why no formal policy or formal strategy is in place)
 Currently under development, please enter date this is due to be completed
 Insufficient resources/expertise
 Salaries set by awards/industrial or workplace agreements

 Not a priority
 Other (provide details):

3.1 Are specific gender pay equity objectives included in your formal policy and/or formal strategy?

- Yes (provide details in question 3.2 below)
 No (you may specify why pay equity objectives are not included in your formal policy or formal strategy)
 Currently under development, please enter date this is due to be completed
 Salaries set by awards/industrial or workplace agreements
 Insufficient resources/expertise
 Non-award employees paid market rate
 Not a priority
 Other (provide details):

3.2 Does your formal policy and/or formal strategy include any of the following gender pay equity objectives (select all applicable answers)?

- To achieve gender pay equity
 To ensure no gender bias occurs at any point in the remuneration review process (for example at commencement, at annual salary reviews, out-of-cycle pay reviews, and performance pay reviews)
 To be transparent about pay scales and/or salary bands
 To ensure managers are held accountable for pay equity outcomes
 To implement and/or maintain a transparent and rigorous performance assessment process
 Other (provide details):

4. Have you analysed your payroll to determine if there are any remuneration gaps between women and men (i.e. conducted a gender pay gap analysis)?

- Yes - the most recent gender remuneration gap analysis was undertaken:
 Within last 12 months
 Within last 1-2 years
 More than 2 years ago but less than 4 years ago

- Other (provide details):
- No (you may specify why you have not analysed your payroll for gender remuneration gaps)
- Currently under development, please enter date this is due to be completed
- Insufficient resources/expertise
- Salaries for ALL employees (including managers) are set by awards or industrial agreements AND there is no room for discretion in pay changes (for example because pay increases occur only when there is a change in tenure or qualifications)
- Salaries for SOME or ALL employees (including managers) are set by awards or industrial agreements and there IS room for discretion in pay changes (because pay increases can occur with some discretion such as performance assessments)
- Non-award employees paid market rate
- Not a priority
- Other (provide details):

4.01 You may provide details below on the type of gender remuneration gap analysis that has been undertaken (for example like-for-like and/or organisation-wide).

Gender Pay gap analysis is conducted at organisational and like for like levels.

4.1 Did you take any actions as a result of your gender remuneration gap analysis?

- Yes – indicate what actions were taken (select all applicable answers)
- Created a pay equity strategy or action plan
- Identified cause/s of the gaps
- Reviewed remuneration decision-making processes
- Analysed commencement salaries by gender to ensure there are no pay gaps
- Analysed performance ratings to ensure there is no gender bias (including unconscious bias)
- Analysed performance pay to ensure there is no gender bias (including unconscious bias)

- No unexplainable or unjustifiable gaps identified
- Currently under development, please enter date this is due to be completed
- Insufficient resources/expertise
- Salaries set by awards/industrial or workplace agreements
- Non-award employees are paid market rate
- Unable to address cause/s of gaps (provide details why):
- Not a priority
- Other (provide details):

4.2 If your organisation would like to provide additional information relating to gender equality indicator 3, please do so below:

Gender equality indicator 4: Flexible working and support for employees with family and caring responsibilities

This indicator will enable the collection and use of information from relevant employers about the availability and utility of employment terms, conditions and practices relating to flexible working arrangements for employees and to working arrangements supporting employees with family or caring responsibilities. One aim of this indicator is to improve the capacity of women and men to combine paid work and family or caring responsibilities through such arrangements. The achievement of this goal is fundamental to gender equality and to maximising Australia's skilled workforce.

5. A “PRIMARY CARER” is the member of a couple or a single carer, REGARDLESS OF GENDER, identified as having greater responsibility for the day-to-day care of a child.
