

ACUWIFI Wireless Setup

iPhone and iPad

On your home screen, select **Settings**

Select **Wifi** and then select **acuwifi**

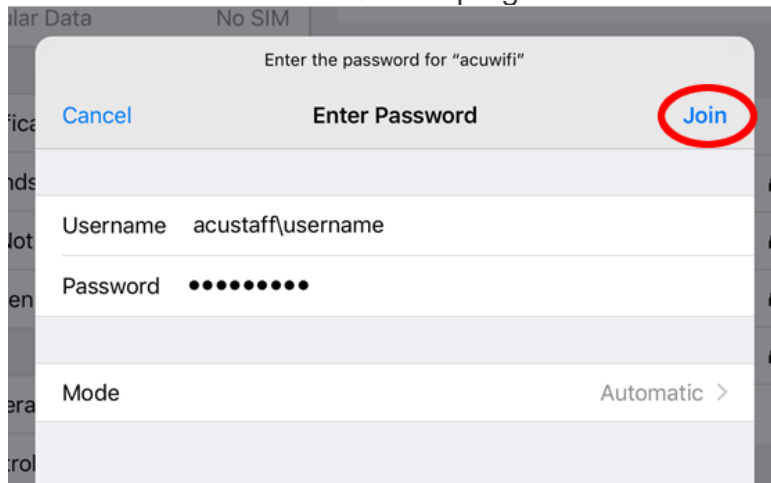

ACUWIFI Wireless Setup

iPhone and iPad

Enter your ACU **Username** and **Password**. Ensure you enter **acustaff** or **student** before your username.

Select the **Join** button on the top right of username and password window.

When connecting to ACUwifi for the first time, you will be asked to accept a certificate. Select **Trust** and your i-device will then join the ACUwifi network
